DISCUSS PLANS OF IMMIGRATION

Campbell Leaves for Azores to Secure the New Colonists.

At a meeting of the Territorial Board of Immigration held yesterday afternoon further plans were considered for the systematic campaign that will be waged for the bringing of Portuguese colonists to the Territory.

A. J. Campbell, who leaves June 1 on his foreign mission, will be granted full discretionary power in employing assistance in connection with the carrying out of the immigration work. As Mr. Campbell will have the responsibility of putting the plans of the board into effective operation it was thought best that he should be empowered to secure such assistance as may be necessary and agreeable to himself.

The Azores will be the first place visited by Campbell on his journey in search of desirable immigrants for the Territory. It is believed that there will be no difficulty in securing large numbers of the islanders for Hawaii, and it is stated that many have only been awaiting a chance to immigrate.

First Goes to Azores.
It is the intention of the Board of Immigration to provide Mr. Campbell with everything necessary to assure the success of his mission, and also impress the prospective colonies with the fact that the government is back of the plan to develop the resources of the country by immigration.

From the Azores it is probable that Campbell will go to Madeira, where it is believed that there are a number of people who would gladly avail themselves of the opportunity presented by the plans of the Territorial Board of Immigration.

It was stated at yesterday's meeting that Campbell would be provided with credentials from Governor Frear and other territorial officials, and also

from the Portuguese consul general in this city.

The general purpose of the meeting was for an informal discussion of the plans of the new immigration campaign, and the reaching of the decision that it was advisable to leave the question of assistance entirely in the hands of Campbell himself.
